

**PROGRAM PRE-CONFERENCE „ENSACT“
APRIL 10TH 2011 IN BRUSSELS**

Dear Colleagues,

Thank you for agreeing to participate as a presenter at our pre-conference.

We thought we will have around 30 participants attending and currently we have over 100! This has made it necessary for us to limit the opportunity to present a paper to those colleagues who sent us an abstract.

We will have to monitor our time-management very closely. Each presenter has 20 minutes for her/his talk and 10 minutes for the questions and discussions.

The pre-conference will take place at the Université libre de Bruxelles (ULB). Further details regarding the conference room number, pre-conference program and the directions to our conference room will be available shortly on the Ensact website.

Last, but not least: the conference room will have a computer projector and a PC laptop running Microsoft Power Point. That's what they promised!

We look forward to meeting you in Brussels.

Best Regards,

Silvia Staub-Bernasconi, Hans Walz, Sharon Schneider, Christel Michel and Graça André
